2.2 If the Seller accepts the Buyer’s Application, then these Terms and Conditions will bind the Seller and the Buyer.

2.3 The Seller’s acceptance of an Application does not oblige either party to enter into any transaction with the other party.

3. Contract

3.1 The Buyer may at any time submit a request for a Quotation or an Order to the Seller.

3.2 The Seller will issue to the Buyer as soon as practicable after receipt:

3.2.1 of a request for Quotation, a written Quotation; and

3.3 An Order made other than through the Website is accepted when the Buyer receives from the Seller an Order Confirmation or such other written confirmation of the Order.

3.4 An order made through the Website is accepted when the Seller issues a final invoice to the Buyer, and the Buyer has paid for the Goods through the Website and is issued with a Website Receipt.

3.5 Where the Seller issues a Quotation to the Buyer, this is not an offer to sell and the Buyer must still place an Order with the Seller if the Buyer seeks to purchase Goods, which is to be accepted in accordance with sub-class 3.3 and 3.4 above.

3.6 Each time an Order is accepted a separate Contract in relation to the Goods ordered will be wholly documented by (in descending order of precedence) any Master Agreement, any specific terms agreed in writing, these Terms and Conditions and any Website Receipt.

4. Cancellation and Variation of Order

Each Contract cannot be cancelled or varied except upon terms agreed by the parties which compensate the Seller for all work done, all materials used or specially procured to the date of cancellation, and all expenses, including overheads and handling charges incurred to the date of cancellation by the Seller.

5. Delivery

5.1 The Buyer must provide a delivery address (and specific location if requested by the Seller) as part of its Order (Delivery Location). Alternatively, by agreement with the Seller, the Buyer may arrange for collection of the Goods by a Carrier.

5.2 The Buyer must ensure that the Delivery Location is accessible to the Seller. If it is not, then the Buyer must pay to the Seller its expenses associated with all costs subsequently incurred by the Seller in attempting to deliver the Goods. The Supplier may deliver the Goods in more than one batch or delivery. Where it does so, then a separate Contract will apply to each batch of Goods delivered, and clause 3.6 will apply in respect of that Contract.

5.3 The Buyer must ensure that a Carrier contacts the Seller and agrees a collection time at the Seller's nominated business premises during business hours. If the Buyer arranges delivery by a Carrier, then delivery is effected when the Carrier loads the Goods onto its vehicle at the Seller's premises.

5.4 The Seller will make all reasonable efforts to have the Goods delivered to the Buyer at the Delivery Location, on the date specified in the Contract. Subject to any terms to the contrary set out in the Master Agreement, the Seller is not liable for any failure to deliver or delay in delivery for any reason.

5.5 The Buyer acknowledges that Delivery is not contingent on the Seller identifying a representative of the Buyer at the Delivery Location, nor having any such person sign to acknowledge receipt.

5.6 The Seller will make all reasonable efforts to have the exact quantity ordered by the Buyer delivered to the Buyer, but the Buyer will accept the delivery if the quantity delivered is:

5.6.1 For orders of 250 units or under, within 20% for the quantity ordered; or

5.6.2 For orders over 250 units within 10% of the quantity ordered.

6. Price

The price of the Goods is as advised to the Buyer in writing to the Seller, or as set out in the Master Agreement. The price will be increased on account of GST and any other application sales taxes or government charges however arising.

7. Payment

7.1 Payment is either prepaid or where the Seller has granted the Buyer credit, payment for the Goods must be made in full (without any set off or deductions) and received by the Seller by the last business day of the month following the month of Delivery unless some later date has been agreed by the Seller in writing.

7.2 Payment is only received by the Seller when it receives cleared funds into the Seller's bank account.

7.3 Should the Buyer fail to pay any money due under these Terms and Conditions by the due date, the Buyer will be in default and the Seller may charge interest at 12% per annum calculated daily until payment in full.

8. GST

8.1 In this clause words that are defined in *A New Tax System (Goods and Service Tax) Act 1999* have the same meaning as their definition in the Act.

8.2 Except as otherwise provided by this clause, all consideration payable under these Terms and Conditions in relation to any supply is exclusive of GST.

8.3 If GST is payable in respect of any supply made by the Seller under these Terms and Conditions, subject to clause

8.4 the Buyer will pay to the Seller an amount equal to the GST payable on the supply at the same time and in the same manner as the consideration of the supply is to be provided under these Terms and Conditions.

8.4 The Seller must provide a tax invoice to the Buyer before the Seller will be entitled to payment of the GST payable under clause 8.3.

9. Website Sales

9.1 Where the Seller sells Goods to the Buyer through its Website the Buyer (and each signatory) acknowledges and agrees that:

9.1.1 each is at least 18 years of age;

9.1.3 the Seller may change the advertised price of Goods when updating the Website;

9.1.4 once an Order is submitted through the Website the Seller will commence completing the Order. If particular Goods are unavailable, then the Seller will advise the Buyer within 5 business days and arrange an alternative product or provide the Buyer with a full refund permitted by the Master Agreement.

10. Title

10.1 The legal and equitable title to the Goods will only be transferred from the Seller to the Buyer when the Buyer has paid all monies that are owed to the Seller in respect of any ordered Goods.

10.2 The Buyer acknowledges that until the Buyer has paid all monies that are owed to the Seller on any account whatsoever, the Buyer holds the goods as fiduciary bailee for the Seller.

11. Force Majeure

The Seller is not liable for failure to perform the Contract to the extent and for so long as its performance is prevented or delayed because of failure of the Supplier's machinery, failure of the Supplier's suppliers to supply, or circumstances outside the Seller's reasonable control.

12. Default

12.1 The Buyer will be in default if:

12.2.2 Refuse to supply any Goods to the Buyer;

12.2.3 Claim the return for any Goods in the Buyer's possession where title has not passed to the Buyer;

12.2.4 Withdraw or vary credit the Seller has provided to the Buyer;

12.3 Make all monies owing by the Buyer to the Seller on any account immediately due and payable.

12.4 The Seller may only take any one or more of the actions described in clause 12.2, provided that, if the default is capable of being rectified, the Seller first gives the Buyer 5 business days' written notice and the Buyer fails to rectify the breach within that period after receiving the notice.

Otherwise the Seller may take any one or more of those actions immediately on notice in writing to the Buyer.

12.5 Until the Seller receives full payment of all monies due from the Buyer on any account, the Buyer must keep the Goods separate and in good condition as a fiduciary of the Seller, clearly showing the Seller's ownership of the Goods and must keep books recording the Seller's ownership of the Goods and the Buyer's sale or other dealings with them.

12.6 If the Buyer defaults then, in addition to clause 12.2, the Seller may take possession of the Goods wherever the Goods are located and access the Buyer's premises or other location where the Goods are stored for that purpose.

12.7 The risk of any loss or damage to the Goods passes from the Seller to the Buyer on Delivery.

13. Personal Property Securities Act 2009

13.4.2 The rights of the Buyer as debtor under Sections 130,132,135 and 137 will not apply to these Terms and Conditions.

13.5 The Buyer will pay reasonable and substantiated costs, expenses and other charges incurred, expended or payable by the Seller in relation to the filing of a financing statement

or financing change statement in connection with these Terms and Conditions.

13.6 The Buyer agrees that it will not allow Security Interests to be created or registered over the Goods in priority to the Security Interest(s) held by the Seller.

14. Termination

14.1 On termination of these Terms and Conditions whether pursuant to clause 12 or otherwise:

14.1.1 the Buyer remains liable to the Seller for all amounts owed under these Terms and Conditions; and

14.1.2 the Buyer will immediately deliver to the Seller at its business address (or such other address as the Seller reasonably directs), or make available to the Seller to collect at the Buyer's delivery address, (as advised by the Seller) all Goods in the Buyer's possession where title has not passed to the Buyer.
