# Timber Pallets & Packaging

## Experience a whole new level of service and quality

We have 30 years of industry expertise and proudly offer a personalised approach and service that is second to none.

With a proven track record in producing reliable standard and export pallets, we also specialise in crates, cases and bulk corrugated cardboard packaging solutions.

## Solutions For Every Need

### Pallets

We can manufacture pallets to any specification required for exportation requirements. Our standard pallet range includes:

- **Heavy Weight Pallet**  
1800kg – 1165 X 1165mm – Top Board 25mm
- **Medium Weight Pallet**  
1050kg – 1165 X 1165mm – Top Board 17mm
- **Light Weight Pallet**  
500kg – 1165 X 1165mm – Top Board 12mm
- **Export Pallets**  
ISPM 15 & Certified To AWPCS Regulations  
1100 X 1100mm + 1140 X 1140mm

### Composite Bulk Bins

We manufacture to suit your requirements and partner with our Corrugated Cardboard manufacturing division for a complete solution that's both cost-effective and high quality.

### Produce Bins

We can tailor Produce Bins for Fruit & Vegetables to your specific requirements. Export Produce Bins are also available, made to strict export guidelines with ISPM 15 certifications.
